SLMHC Foundation

The Sioux Lookout Meno Ya Win Health Centre Foundation raises funds for health care needs for more than 30,000 people living in Sioux Lookout, the surrounding communities and northern First Nations served by the Sioux Lookout Meno Ya Win Health Centre.

The foundation was incorporated in 1994 and was originally known as the Sioux Lookout District Health Foundation. The organization later changed its name to the Sioux Lookout Meno Ya Win Health Centre Foundation to reflect the amalgamation of the two main Sioux Lookout District Health Centre sites, the 7th avenue site, formerly the Sioux Lookout Zone Hospital, and the 5th avenue site, formerly the Sioux Lookout General Hospital.

Our purpose is to raise money to provide funding for medical equipment, education, special treatment programs and building funds for the Sioux Lookout Meno Ya Win Health Centre.

Our motto, *A Tradition of Caring...A Tradition of Sharing*, defines us. It is what we do everyday with the ongoing support of our generous donors.

Since our inception, and with our donors support, we have raised nearly \$6 million to enhance health care in the north. Our greatest achievements include raising \$2.5 million for the local share of the new hospital project, more than \$1.79 million with Wasaya Group Inc. for the CT Scanner Project, more than \$400,000 to ensure year round mammography services, and contributing \$40,000 in renovation costs to create a state-of-the-art Learning Centre and Simulation Lab at the Sioux Lookout Meno Ya Win Health Centre.

The foundation is governed by a volunteer board of directors who oversee the foundation's programs.

A Message from the President

We are very proud of what we have accomplished to enhance health care in the north, and we continue to work diligently to ensure patients at SLMHC receive world-class emergency and primary health care that is deserving of all Canadians.

We could not have done this with you. By working together, we are able to accomplish so much more for our families and our communities.

Your contributions allow us to raise funds that are so desperately needed to support ongoing program, equipment, and education needs at the Sioux Lookout Meno Ya Win Health Centre. Together we are making a difference.

*“Thank you for bringing quality health care closer to home.
We could not do this without you!”*

Marguerite Hoey, President
SLMHC Foundation

A Tribute to Harvey Friesen

On February 2, 2014, the foundation lost a very special person with the passing of Harvey Friesen.

Harvey was Treasurer and a founding member of the Sioux Lookout Meno Ya Win Health Centre Foundation. He cared deeply about improving health care services for the people of Sioux Lookout, the surrounding communities, and the First Nation communities in the north. He was instrumental in raising the local share of the new hospital project, contributed greatly to the expansion of diagnostic imaging services at SLMHC, and was passionate about expanding the number of long term care beds to meet an ever growing need in our region.

Harvey’s role as Treasurer of the Foundation, since its inception in 1994, was an active one. He contributed his time, expertise, and resources. He was a role model who inspired us to take part, and he challenged us to give what we could.

We will remember Harvey fondly and keep his memory alive as we continue to raise funds for what he was so very passionate about - *bringing quality health care closer to home.*

Community Fish Fry

Generously sponsored by ARAMARK and SLMHC, the community Fish Fry is a way of saying thank you to our community members for supporting our vision. In partnership with Sioux Lookout Anglers & Hunters and the Walleye Weekend Committee, the event continues to raise funds and awareness of ongoing equipment and program needs at the Sioux Lookout Meno Ya Win Health Centre.

Volunteers preparing and cooking fish at the 4th Annual Community Fish Fry held on June 9, 2013.

Bearskin Airlines Charity Golf

This year's event took place on June 27, 2013, and marked the 15th anniversary of the Bearskin Airlines Charity Golf Classic, as well as Bearskin Airlines' 50th anniversary of operations. With \$36,000 raised it was truly a time to celebrate.

Over the past 15 years, more than \$375,000 has been raised for the health centre as a result of the Bearskin Airlines Charity Golf Classic.

With Bearskin's support we are able to meet ongoing program and equipment needs at the Sioux Lookout Meno Ya Win Health Centre. Funds from the event have been earmarked to support future long term care needs for Sioux Lookout and area families. With only 20 long term care beds currently available for a population base of 30,000, Bearskin Airlines felt it was important to bring awareness to the need for additional beds to ensure our elders have the care they deserve closer to home.

We thank Bearskin Airlines for supporting our fundraising efforts and for helping us to move forward with future initiatives.

Bearskin Airlines Skip to Equip Classic

The spirit of giving was alive once again at the Bearskin Airlines Skip to Equip Classic held November 8th – 10th, 2013 in Sioux Lookout. At the end of the day this fun and exciting event raised \$52,000 for the Diagnostic Imaging Department at the Sioux Lookout Meno Ya Win Health Centre.

Modeled after the highly successful Hope Classic in Thunder Bay, the Annual Bearskin Airlines Skip to Equip Curling Classic in Sioux Lookout has raised \$163,000 for the Sioux Lookout Meno Ya Win Health Centre over the past three years.

Proceeds from the event have assisted with the purchase of the mammography unit and a third ultrasound machine for the health centre. The annual November classic is a women's only event where participants of all curling levels enjoy a weekend of great fun and raising funds in support of the health centre.

The foundation is very grateful to the Skip to Equip Committee and thanks all donors, participants, volunteers, and sponsors who generously support this much anticipated annual event.

Participants enjoy a weekend of friendly curling competition in support of programs and services at the Sioux Lookout Meno Ya Win Health Centre.

Rotary Lobsterfest and Rotary Radio Bingo

The Sioux Lookout Rotary Club has a long history of raising funds for health care needs for our communities. With more than \$125,000 in donations to date, the club continues to support program and equipment needs at SLMHC by hosting third party fundraising events throughout the year.

Proceeds from Rotary's Annual Lobsterfest in September and Rotary Radio Bingo are donated each year to SLMHC to assist with the purchase of much needed equipment.

In addition to sponsoring the Palliative Care Room and Family Lounge, the Rotary Club of Sioux Lookout has also help to fund a portable bladder scanner for the William A. "Bill" George Extended Care Unit and chairs for the Chemotherapy Unit.

Rotary presents Radio Bingo proceeds to the foundation and additional local charities.

Tree of Hearts Campaign

The Annual Tree of Hearts Campaign held in February, is a very special way to honour and remember loved ones while contributing to the enhancement of health care for our communities. To date more than \$67,000 has been raised through this annual campaign that provides funding for ongoing equipment needs at the Sioux Lookout Meno Ya Win Health Centre.

Lights are purchased for \$10.00 each, and during the week of February 14th, trees, sponsored by SLMHC and the Municipality of Sioux Lookout, are lit at various locations in Sioux Lookout to honour and remember loved ones.

This year's campaign raised \$4,000 to support equipment purchases. The foundation wishes to thank all of our sponsors and those who contributed, as well as the following businesses for selling lights on behalf of the foundation: Cheers!, Mascotto's Marine, Chicken Chef, Eastside Convenience & Café, and McTaggarts.

- I. To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.
- II. To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.
- III. To have access to the organization's most recent financial statements.
- IV. To be assured their gifts will be used for the purposes for which they were given.
- V. To receive appropriate acknowledgement and recognition.
- VI. To be assured that information about their donation is handled with respect and with confidentiality to the extent provided by law.
- VII. To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.
- VIII. To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.
- IX. To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.
- X. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

A Look Ahead

Continue to support the Sioux Lookout Meno Ya Win Health Centre Foundation with a donation to any of the following funds:

Diagnostic Imaging (DI) Fund - No longer do we have to travel to distant centers for many of our diagnostic imaging services. Care, closer to home, surrounded by friends and family, is now a reality for patients at SLMHC thanks to your continued support and donations to the Diagnostic Imaging Fund.

Women's Health Fund –The health care needs of our mothers, daughters, sisters and aunts, in our many remote and isolated communities are now being met with services offered right here at home. With your generous support we have raised more than \$400,000 to assist with providing year round mammography services at SLMHC, and we continue to raise funds in support of programs, services and equipment needs to enhance healthcare for women in our region. Help provide education and prevention, reduce wait times and travel burdens for patients, and ultimately saves lives in the north with a gift to the Women's Health Fund.

Chemotherapy Services – Care and treatment at SLMHC surrounded by loved ones and friends can make all the difference in recovery. Your donation helps so many who are on their journey back to a healthy fulfilling life.

Palliative Care Fund – Help to enhance end of life care with a contribution to the Palliative Care Fund. Your donation assists in our efforts to support families and to maximize quality of life for our patients.

Extended Care Fund –Your gift helps to fund program and equipment needs at the William A. Bill George Extended Care Facility, a 20 bed care facility. Funds raised also support future requirements for additional beds to meet the needs of our elders.

Equipment Fund – Your donation to the General Equipment Fund assists with the purchase of ongoing equipment needs at the Sioux Lookout Meno Ya Win Health Centre. Your ongoing support ensures that our state-of-the-art facility continues to provide world –class emergency and primary health care services to more than 30,000 people living in Sioux Lookout, the surrounding communities and northern First Nations we serve.

CCAS Youth Programs Fund – Contributions to Community Counseling and Addiction Services Youth Programs Fund helps to support programming needs for youth undergoing treatment for addiction and supports them through their recovery. Invest in our youth to ensure a healthier future for our communities.

Janelle Wesley Fund – Your contributions help us fund programming needs, and equipment and furnishings for the Janelle Wesley Room, a gathering place for children and families, named in memory of Janelle Miranda Wesley who lost her battle to cancer at the age of seven.

General Donation – Allow us to direct your gift to the area of highest need.
